

HP LaserJet MFP Analog Fax Accessory 500 (CC487A)

Add analog fax functionality to your HP LaserJet MFP to send and receive documents with ease

This easy-to-install, internal fax card increases the functionality of your device and improves productivity. Enhance the value of your HP LaserJet MFP[1] with analog fax capability.

Get industry-renowned HP LaserJet reliability you expect. This affordable and reliable analog fax accessory efficiently processes jobs with V.34 (up to 33.6 kbps), while providing standard JBIG compression to save time and money by shortening calls.

Enjoy secure faxing on your device with manual and scheduled memory lock. This convenient feature keeps sensitive information confidential by ensuring that faxed documents are only printed for authorized personnel.
