

# HP Fortis 11 inch G10 Chromebook (9R3B5UT)

## Outfitted for a productive Chromebook experience

The HP Fortis 11 inch G10 Chromebook provides reliability and performance in a rugged design. It features an Intel® quad-core processor[6], plenty of memory, and long battery life for productivity throughout the day. The 180-degree lay-flat hinge provides focused interaction, while the HP Privacy Camera and durability testing gives you peace of mind.

### Engineered for durability

The rugged, fan-less, durable design undergoes MIL-STD 810[2] and drop testing[3], and resists keycap picking.

### Productivity empowered

Quickly stream and access online content, thanks to an Intel® quad-core processor[6] and plenty of memory.

### Immersive interaction

Confidently engage others with a lay-flat hinge and an HDMI port to connect displays and projectors.[9]

## Featuring

### Universal connectivity and charging with USB-C™

Use the USB-C™ port to access and charge your USB-C™ accessories from your Chromebook™ or charge your Chromebook™ from any USB-C™ adapter.

### Apps and content for expanded learning

Take learning in new directions with access to the Google Play™ Store and Android™ apps, which include thousands of instantly shareable and easily manageable innovative education apps. [1]

### Simple PC management

Spend less time and get right to the updates you need with HP Support Assistant. [4]

## Specifications

| <b>Manufacturer Warranty</b>             | HP Services offers 1-year limited warranties and 90 day software limited warranty options depending on country. Batteries have a default one year limited warranty except for Long Life batteries which will have same 1-year or 3-year limited warranty as the platform. Refer to <a href="http://www.hp.com/support/batterywarranty/">http://www.hp.com/support/batterywarranty/</a> for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: <a href="http://www.hp.com/go/cpc">http://www.hp.com/go/cpc</a> . |

## Messaging Footnotes

[1] Internet access required and sold separately. Some apps may require purchase.

[2] MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

[3] 122cm test on plywood and 76cm test on concrete. Drop test is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

[4] Internet access required.

[6] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[9] HDMI cables sold separately and not included.

## Technical Specifications Footnotes

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[7] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.

[10] FHD/HD content required to view FHD/HD images.

[11] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[12] Actual brightness will be lower with touchscreen.

[13] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
